

Douglas® Field Covers & Infield Grass Protectors

Full Field Covers

Floating Handle will not rip and tear out

Standard, 5.3 oz -9 mil.

160' x 161' (Item # 36971)
165' x 167' (Item # 36970)
120' x 121' (Item # 36972)

Premium, 6.3 oz -12 mil.

160' x 161' (Item # 36971P)
165' x 167' (Item # 36970P)
120' x 121' (Item # 36972P)

- Covers are made from a high-strength top quality reinforced polyethylene
- Material is super light weight and is UV, mold and mildew resistant
- All seams are heat-sealed and perimeters are reinforced for extra durability
- Covers are reversible green and white in color
- Convenient "floating" handles are spaced every 10' around the perimeter and are far superior to the old sewn handles that can rip and tear out
- All covers include sand bags (sand not included) and a storage cover (please specify roller size for cover when ordering)
- Premium and Standard covers include a double polyurethane coating for increased durability and overall life

Tarp Rollers

20'L (1 section) (Item # 36662)

30'L (2 sections) (Item # 36663)

40'L (2 sections) (Item # 36664)

- Rollers are available in lengths of 20', 30' and 40'
- Constructed of high-density plastic with a corrugated exterior and a smooth interior
- Outer diameter is 30"
- 30' rollers consist of one 20' section, one 10' section and one coupler
- 40' rollers consist of two 20' sections and one coupler

Custom Protective Cover for Field Tarps

- Constructed of 14 oz vinyl
- Available in 20 colors
- Available in lengths of 20', 30' and 40'
- White block letters are available to spell your team or mascot

Infield Grass Protectors

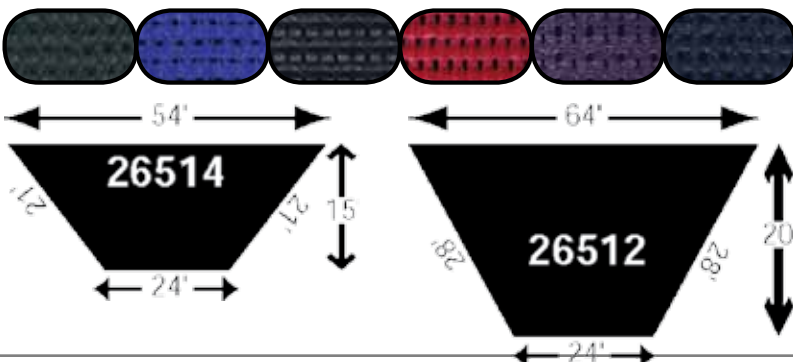

Personalize your Infield Protector with your mascot or logo.

Douglas® Mound Covers

Logo Mound Cover

- (Item # 26501L) 18' Diameter Pitcher's Mound Cover w/ Logo
- (Item # 26504L) 20' Diameter Pitcher's Mound Cover w/ Logo
- (Item # 26502L) 26' Diameter Home Plate Cover w/ Logo
- (Item # 26500L) 30' Diameter Home Plate Cover w/ Logo

- Constructed of premium heavy-duty 18 oz. UV & weather resistant vinyl with heat-sealed seams and reinforced perimeters with grommets
- Available in Dark Green, Black, Red and Royal Blue (please call for availability of other colors).
- Logos and lettering are available with any color combination and are printed in a 5' x 10' print area
- Our digital printing process is done with UV curable inks to ensure logos will be sharp, vibrant and long-lasting. Also great for sponsorship opportunities. Custom sizes also available, please call for more information and pricing.

Weighted Mound & Base Covers

- 18' Diameter Pitcher's Mound Cover (Item # 36318W)
- 20' Diameter Pitcher's Mound Cover (Item # 36320W)
- 26' Diameter Home Plate Cover (Item # 36326W)
- 30' Diameter Home Plate Cover (Item # 36330W)

- Constructed of premium heavy-duty 18 oz. UV & weather resistant vinyl with heat-sealed seams and reinforced perimeters with grommets
- Dark Green is standard. Covers are also available in Black, Red and Royal Blue (please call for availability of other colors).
- Mound covers are weighted within the hems to stay in place and do not require sand bags or stakes.

Home Plate, Mound and Base Covers

Heat-sealed seams and reinforced perimeters with brass grommets provide extra durability. Excellent to use while watering the field. Easy-to-install and remove. Custom sizes are available, please call for pricing.
