

# PRO/AM

## Backboard

- 36" x 48" x 3/8" Acrylic board
- Encased in a weather resistant, brushed aluminum frame for increased rigidity that guarantees ball response, movement and rebounding just like the pros

## Pressure-Flex Jr.™ Break-Away Goal

- Built for safety and consistent performance
- 5/8" Solid steel ring with high-quality baked on powder coat finish
- 12 no-tie net hooks
- Complete with heavy duty synthetic net
- Mounted through the backboard and attached directly to the extension arm for more strength

## Welded Extension Arm

- Extends 3' from post to backboard
- Adjusts from 6' to official 10' playing height
- Durable polyester powder coat finish

## Sway Braces

- Weather resistant plated steel
- Attaches directly to the pole and outer perimeter of the frame
- Increases safety and endurance

## Steel Pole

- 4" x 4" square steel pole with one piece construction for durability
- Polyester powder coat finish for maximum protection

## Optional Safety Pads
